Description:

Winter Seasonal - Protect your plane from harsh winter exposure December 1 through April 30

- South Facing - Sunny exposure resists winter ice build-up in front of the hangar door.
- Convenient Entry and Exit - corner unit adjacent to taxi area on North Ramp.
- Bathroom - available in association clubhouse.
- Dry and Well-Lighted - Interior and Exterior LED lighting.
- WIFI included for remote control of engine heater.
- Video Monitored - keep an eye on your plane from any internet connection.

\$495 per month for 5 months. One month extension on each end is possible. All my shelving and items removed. A 12 month lease for \$450/mo on a similar hangar is also available.
