Description:

Build to suit hangar for sale with 1/2 acre lot

Major improvements coming to the airport including new runway & taxiway, scheduled for late fall 2022. Lot is privately owned not owned by the city like some airports.

Will build to suit either a 50 x 50 or 60 x 60 hangar on the lot. Living quarters are an option on either build, adding additional value to the hangar. Ready to build immediately.
