Description:

This hangar features quality Amish craftsmanship and a premium remote operated high-fold hangar door. The building will be a finished luxury office building with space for up to three aircraft! It will feature a conference room, 1 full bathroom, 1 half bathroom, utility room, full luxury kitchen, office space, workshop area, and lounge. The scheduled completion date is May-June, 2022. Great opportunity for a corporate hangar, flight school, FBO, or the ultimate man-cave! Must see!
