Description:

Built on 1.17 acres, this 3 bedroom/2 bath/1,918 sqft all brick home offers an island kitchen with granite counters and stainless steel appliances, plus spacious living room with gas log stone fireplace. The primary bedroom and ensuite bath are entirely wheelchair accessible with wide doors, custom vanity, and roll-in shower. The large 60x30' aircraft hangar has 40' wide x 12' sliding doors. In addition to the hangar, there is a 24x35' storage area on the east side of the hangar plus a 9x60' storage area attached to the backside of the hangar, both with dirt floors.
