Description:

Your chance to own your dream property at a private airport! This home in the Hillcrest Airport subdivision is truly stunning with to many upgrades & extras to list. How often do you get a chance to buy a home that has a community runaway & your own private airplane hangar with an apartment! Walking in you will be greeted by the formal entry & see the expansive living room complete with a huge wet bar, built in speakers, stunning fireplace & a beautiful view of the pool & back porch. The kitchen boasts granite counters, wood floors, a huge island, ice maker, lots of cabinets, vaulted ceilings & Subzero fridge. The large master bedroom has built in cabinets, a desk, a 12'x12' master closet complete with built in his-her dressers & a truly stunning master bath that has dual sinks, huge tub, walk in shower & many other custom features. The 60'x60' hangar features an apartment complete with kitchen-living, bedroom & half bath. Buyer to verify all features, schools, sqft, & measurements.
