RARE OPPORTUNITY to rent space in a 50 x 60 airplane hangar at the Shoshone County Airport in the beautiful Silver Valley of North Idaho, just 34 miles east of Coeur d'Alene. This well built, insulated hangar was constructed in 2014 and has a 50 amp service, a 40' x 14' bi-fold door, clerestory windows and exceptional interior lighting. Additional features include: Ceiling mounted electrical reels, hook up/switch gear for back-up generator power, reinforced floor. Custom shelving provided for each aircraft. Utility services were recently installed behind the hangar as an added bonus and will be connected by fall! Airport information available at <https://shoshonecounty.id.gov/airport/>
