Description:

US Jet Center is proud to offer this beautiful facility with a 3900sqft hangar and 550sqft of offices, storage space, and a restroom with shower. The hangar door is 16ft high with a width of 60ft with a second roll up door perfect for deliveries. The Hangar has an epoxy coated floor, painted steel beams, and propane heating to keep you warm in the north Texas winter. This space is perfect for a corporate flight department, charter operator, aircraft maintenance facility, or even a private owner!

US Jet Center is a full service FBO and the following amenities are available for our tenants:

- Free towing and staging at the FBO
- Free GPU usage on departure
- Concierge service for arranging catering and other aircraft services.

Denton Enterprise Airport is perfectly located at the intersection of I-35W and I-35E making it a breeze to reach any part of the metroplex. KDTO offers a 7000ft primary and a 5000ft reliever runway, Towered operations from 6am - 10pm, and approaches down to 250ft on each runway.
