Hangar for Rent, 12k SQFT of Heated Space

\$1.00

wingsofwisconsin@gmail.com

625W Hanger RD,

Width 120' Depth 100' Height 22'

Description:

We have multiple options for leasing hangar space, both short and long-term. We can rent individual aircraft space or entire hangar space. We have two 8,000 sq.ft. well-maintained hangars, previously used for plane engine engineering and testing and another 12,000 sq.ft. newly constructed hangar, open concept, with runway access to lease. We are proud to have the opportunities this area can provide and offer with both it's country and city living appeal due to its prime geographical location and we think you may feel the same if you are looking for short or long term leasing or rental opportunities.
