Description:

About an hour drive from Houston, this 3 acre lot has taxiway access to Livingston Municipal Airport 00R offering an FAA through the fence agreement with the City of Livingston for \$300/year. Asphalt and concrete roads throughout the airpark serve dual purpose as roadways and taxiways to the airport with aircraft having the right-of-way. Available on the field is self-serve AVGAS 100LL, instrument approach runway 30, and 3700×60' asphalt surface. With low taxes, low annual HOA fees and convenient location, this tract provides ample space to build a hangar to house your plane, or a hangar-home for full-time or part-time living, just minutes from Lake Livingston. Don't let this one fly by, call today!
