Width 50ft Depth 100ft Height 13ft

**Description:**

Selling my partially constructed Aircraft Hangar located in Darrington.

- 50' X 100'
- Building kit is used from General Steel
- Permitted w/ a 30yr land lease.
- Revised building plans that meet Town of Darrington code.
- Properly poured slab per drawing specs.
- Beautiful view of Whitehorse Mountain
- North end of building prepped for a Horton Stack Door.
- Stub outs for bathroom.

Selling due to a move. This is a great opportunity for someone to get into a large hangar with a beautiful view at a reduced cost. Most all of the building pieces are there to reassemble, but may required some pieces. A contractor is available to help with reassembly that is familiar with the building. Building drawings available.

Aircraft, Airport, Helicopter, Airplane, Shop, Hanger, Darrington Airport.
