**Description:**

Currently available -

Space for one additional private jet (up to Falcon 900 / 2000 size), as well as office / shop space and vehicle garage spaces.

Shared, private (no public access), secured facility with great location on Airport near the control tower. It has a private driveway for access to rampside for passenger loading.

Fuel is provided by Jet Centers of Colorado and is base tenant pricing of that near or equal to CAA pricing.

Amenities include: use of Lektro Tug, Scissor lift, various ladders, GPU, A/C jacks (if applicable), ice machine, conference room.

Aircraft space is shared with a Falcon 50, Falcon 2000LX, Lear 60, and a Vision Jet.

Office space available includes 3 private offices, a private waiting area, private kitchen and attached shop space (1322 sqft. in all)

Three vehicle garage spaces are also available.

Inquire for price quote.
