Width 55ft Depth 40.5 Height 13ft

**Description:**

Your aviation dreams have come true in Eatonville! This is your opportunity to own an airplane hangar close to home for personal use or as an investment. 4 hangars within one building, each seperated by shared walls. Each hangar is approximately 40.5 ft. deep x 55 ft. wide. and hangar doors are 13 ft. tall x 42.5 ft wide. Each hangar has it's own electric heater, front & back access doors, Cat 5 wiring and electric powered hangar doors. All units are part of a condo association. As part of the condo association there is access to 2 Common area restrooms; one includes a shower and the other has washer/dryer hookups. A 3+ acre parcel of bare land is also available for \$499,000 to build your own hangar.

Price ranges from \$275,000 - \$395,000
