rseif@augustagov.org

Description:

T-Hangar for rent. This is an open T-hangar (no doors), concrete floors, and a light/electric socket. Electric is included, but no high-draw equipment is allowed. Space heaters are also not allowed.

Avoid the crazy big city prices and come to a friendly airport with maintenance on the field, affordable fuel prices, and free hangar in/out service during business hours.

Open T-Hangars are \$150/month with a 3% discount for payment by ACH. Those hangars are 42' x 11'11"x36' and should fit most singles and some light twins.
