Hangar for Sale, Large Executive Hangar - For Sale

\$0.00

[brendan@airportrealestate.aero](mailto:brendan@airportrealestate.aero)

5216 Cessna Dr,

---

Width 62 Depth 75 Height 27

**Description:**

We are pleased to offer this new executive hangar located at the Northern Colorado Regional Airport (FNL).

Recently completed in 2022, this 4,650 SF hangar [62' x 75'] and includes a large private apron.

The hangar can accommodate up to a turbo-prop and mid-size jet aircraft.

Facility amenities include a 60' x 19' clear hydraulic door, roadside, and air side access, and a vehicle gate accessible immediately adjacent to the facility.

The hangar has a fully built-out hangar kitchenette and bathroom, LED lighting, and infrared heat. Tenant will stay until March 2024 - or longer if you desire!
