Description:

Very nice enclosed T-Hangar for Rent at KLMT. This is on the east side of the field over by the Tanker Base. It has an electric bi-fold door as well as a man door. The dimensions are approximately 42' wide by 30' deep. The door and ceiling are insulated. It has power and lights and a community restroom for this block of hangars. I will leave the couch, tables, chairs and bookcase if needed. The City provides an electronic key to get in the airport gate which makes it very secure. You can store things besides your airplane but they require an airplane as well. \$425.00 a month on a month to month rental. Willing to rent it at \$400 a month if you pay a year in advance or do a long term lease. Power bill will be put in your name. Please call with any questions or if you would like to see it. Jeff (208) 340-4393
