**Description:**

Large semi-climate controlled T-hanger attached to building with included office suite on second floor. Hangar has 2 skylights, and numerous power outlets throughout. Powered bifold door. Hangar receives passive HVAC from attached offices, so it remains cooler in the summer and warmer in the winter!

Office includes a Conference room, two offices, and a large common area. All utilities included, except internet access. Housekeeping services the office 3x/week with vacuuming and trash collection!
