Hangar for Rent, Heated Community Hangar Space

\$200.00

rseif@augustagov.org

Description:

Space within community hangar available for anything from a small single engine aircraft to medium business jet, with prices ranging from \$200-\$400 per month, depending on aircraft size.

Hangar is heated to 50 deg during winter months. The space is within a community hangar, so there will be other aircraft in the hangar. While tenant will have afterhours access to their aircraft, only airport personnel are allowed to move aircraft in or out of the community hangar. Tenants wanting after hours service must make arrangements during business hours.

Avoid the crazy big city prices and come to a friendly airport with maintenance on the field, affordable fuel prices, and free hangar in/out service during business hours.
