Description:

We have an 80 by 80 hanger with 22 feet door height available for additional plane year around. This is a big hanger and can accommodate a medium sized aircraft. Phenom 300, or any size Citation will fit with our Mustang and Phenom 100. Your aircraft will be 1st in 1st out, see diagrams. We have 2 gpu units for updates and start. The hanger is heated with a remote, and has a Best Tugs tug. You will also receive a 2 dollar fuel discount by being on the North side hangers, still with access to pick up passengers at the VVJC. Lease rate based on size of aircraft and length of lease.
