Description:

New, empty, never been used, T-hangar for sale at Rock Hill, SC Airport/Bryant Field (KUZA). Charlotte metro area regional airports have an approximate waitlist of 5+ years and you won't find anything new for sale at this time.

This is brand new construction with bi-fold electric doors and insulated with LED lights. Close proximity to brand new bathroom and water access.

This hangar is on the quiet side of the airport, Taxiway J, with gated access. The opposite side of the airport is the FBO with general parking for the airport.

Being sold as-is, where is. Dimensions to be verified by the buyer. Land lease is paid through the end of 2024.

Serious inquiries only. Due to the high demand, please email first, rather than text or call to help us keep track of inquiries.
