Description:

Privately owned hangar on the northwest corner of Falcon Field (KFFZ)

Epoxy floor Insulated and air conditioned

Very close to gate access and bathrooms

North runway has much less ground traffic so departure and arrival is generally much easier.

Bifold door Plenty of space for 2 airplanes.

We've had a Piper Cherokee and a Cessna 182 in it with still plenty of room to move.

Hangar max opening is 46' 6" and max depth is 42'
