Width 45ft Depth 40ft Height 19ft

Description:

Located at KGEY, the hub of the Bighorn Basin, fly in any direction from your new hangar and experience a variety of some of the most unique and beautiful terrain in the U.S!

Completed in early 2020, this hangar is an s-model quonset, complete with homemade carriage style doors that do not require any hydraulics or electricity. The opening is 42ft wide x 10ft high, plenty to accommodate most single-engine ga aircraft.

There is no electricity. However, the trench work and conduit to the hangar has been done. Simply reimburse the county \$897 and have the power company install a electrical box and you're off and running.

Asking \$82k. Price is negotiable. Please feel free to reach out with any questions. Email preferred.
