**Description:**

CBRE is pleased to offer this exceptional opportunity to purchase or lease a newly-built premier 30,000 SF hangar facility including 5,000 SF of office and shop space in the greater Los Angeles market. Hangar 2 is the last available hangar at the CloudNine hangar development, conveniently situated at the Camarillo Airport. This is a prime location and opportunity for entertainment industry professionals, local executives, international firms, and area residents who would like a private and secure base for their aircraft. The hangar features a 30 ft. tall by 150 ft. wide hangar door, and can house up to the largest size corporate jets such as the Global 7500 and Gulfstream 700. CloudNine provides towing, call-out times, lav services, nitrogen, and oxygen to its tenants at no additional fee, as well as a low fuel rate.
