#### Description:

T-Hangar R-6 at North Las Vegas is for sale! Metal framed, aluminum sided aircraft T-Hangar with a three section door system, originally manufactured by Port-A-Port as a mobile hangar, in the Standard/Executive size. This hangar features recent concrete flooring, ample and bright tube lighting system, a fire extinguisher, locking outer access door, and enough room for a Cessna 182, Cirrus SR22, a Beech Bonanza or Piper Archer, and everything smaller. This hangar is located close to the flight line, fuel island, and the airfield access gates. These hangars are rugged and well built, and the manufacturer is still selling replacement parts. The hangar measures 37 feet wide by 30 feet deep. Up to 10 feet tall. Ground lease charges only \$110.50 per month and includes electricity and access to water and bathroom . At the time of purchase, an assumption of the ground lease will be made. This hangar is available for purchase now. Please give me a call if you would like further information or to schedule a showing at the North Las Vegas Airport.
