Description:

Business Aviation Group is pleased to offer over 77,000 SF of new hangars located at the Northern Colorado Regional(FNL) Airport in Loveland, CO. Consisting of five (5) buildings and twenty-three (23) total hangars, the development will be located on the Stearman taxi lane. Hangars are available in four (4) unit types, ranging from 2,600 SF to 5,300 SF, and incorporating door heights between 16' – 18'. The hangars have been designed with quality, efficiency, and functionality in mind and will be delivered with first-rate finishes and amenities. See the LIVE STREAM VIDEO HERE:
