Description:

Executive Hangar #1107 located at McKinney National Airport (KTKI).

Hangar is located in the Collin County Hangar Owner's Association North (CCHOA North); this is one of only ten hangars within the association.

Association has a long-term ground lease with the City of McKinney; ground lease term is through December 1, 2060.

65' x 62' hangar footprint (4,030 SF) with 60' x 18' hangar door opening.

Hangar is fitted with a Schweiss bi-fold hangar door with remote; epoxy painted flooring, lighting, water & sewer.

Newer build; hangar construction completed in September 2021.

Rare corporate hangar space at TKI; little to no wear and tear, hangar looks new!

Hangar will fit most corporate turbo-props and mid-size business jets.

90' wide concrete taxiway, easy access to runway 18/36 (7,002' x 150').

Secure your hangar space in one of the fastest growing cities in the United States!
