**Description:**

Spacious 50' x 60' HANGAR located at Davenport Airport (68S). This well-constructed hangar fits multiple aircraft, is equipped with a 40' wide bifold door, 2 office spaces, a versatile loft for lounge/storage, and a 14' tall garage door out back. Airport offers a 3,260' asphalt runway, pilot's lounge, and 100LL fuel - conveniently located 40 minutes from downtown Spokane and 35 minutes from the Columbia River. Setup presents an excellent opportunity for an aviation business or private pilot at an affordable price.
