**Description:**

Unique opportunity to own at Taunton Municipal Airport. This steel structure was built in 1985, and it is perfectly located for your planes to taxi right on to the runway. The building has 4 parking spots and can hold 3-4 planes depending on the type of aircraft. The airport has a new state-of-the-art terminal building with office spaces available for rent. A new Restaurant is opening soon in the terminal too... Hangar dimensions are: ~74 ft. 3 inches long by ~59 ft. 3 inches wide. The door is ~ 53 feet 6 inches wide .Call for more details.
