Hangar for Rent, KDVO FBO Shared Hangar Space

\$3600.00

dash@skyshare.com

351 Airport Road, CA, USA

Description:

Here at SkyShare, we have long term hangar storage here at our FBO for an aircraft as large as a PC12 here at Gnoss Field in Marin County. We provide towing service of your aircraft in and out of the hangar, ice, coffee, vehicle parking in the hangar, and a hangar tenant fuel rate. The contract is 1 year followed by month-to-month.

We do prefer a tenant with a turboprop or a light jet to fit the space and hangar rent is based on aircraft size.
