Description:

Beautiful fresh build (Completed September 2023) on the popular Montrose Regional Airport. 1 hour and 15 minutes from Telluride Colorado. No expenses were spared on this gorgeous hangar. 50'x16' Scheweiss hydraulic one piece door, R30 wall and R35 ceiling insulation, executive tiled bathroom, LED lighting, conduit installed for high speed internet, industrial ceiling fans, 8'x16' service door with direct views of the runway plus an epoxy coated floor. Hangar space is difficult to find in Montrose and this is the newest hangar on the field.
