**Description:**

I'm am seeking a hanger to rent for my Cessna Stationaire TU206 starting sometime in July 2024. I have a home in Mesa, so any airport within an hour is viable...as I know hangar space is tricky to find. Also looking for a partner in the aircraft which I've owned for 25+ years. It's being overhauled and will have a zero time engine and prop when done. If you have a hangar and "want/need" a plane in it, (or know anyone who does) I am open to various scenarios. Please give me a call. 310 713-2323 or email me at [ramona@skychick.com](mailto:ramona@skychick.com).
