Width 100' Depth 100' Height 23

**Description:**

Quickly expand your aircraft operation in the beautiful state of Montana in months, not years. Clear span commercial general aviation hangar with Schweiss electric bi-fold door on heavy ramp for immediate sale. Building is 10,000 square feet and expansion potential exceeds 30,000 square feet. Also room to expand the heavy ramp if desired. Great space for new FBO, avionics shop, maintenance operation, flight school, air shipping operation or any flight services. Email for more information.
