Width 50 Depth 50

Description:

We are seeking a roommate for our hangar! It's 50' x 50' heated hangar at KCFO, shared space with the Turbo Arrow 4. The Bonanza in the picture is gone. The Arrow is in an extended annual and the space will be all yours for the first 2-6 months. We are new here, so more amenities will come soon, but currently it has a couch, air compressor, and electric tug included for your use. Feel free to bring whatever and decorate like it's your own. Long term, short term, whatever, let's talk. Can take a second renter until our plane is back from annual, and another who can stay as long as needed.
