**Description:**

100X95 airplane hangars available. Please reach out to Brad Mertz to express interest. Email and Phone: Brad Mertz, [brad@pateyaviation.com](mailto:brad@pateyaviation.com), Phone: 801-368-2266 Construction has already started at the Patey Aviation Business Park with the first hangars to be completed this year. Given the high demand, the project is close to selling out. The entire project should be completed this time next year. Suites: All hangars either have access to a private or common area suite each designed for your comfort. The Suites are customizable to your liking, complete with kitchenettes, bathrooms, living spaces, and decks.
