Width 100' and 70' Depth 80' and 60' Height 16' Hangar Door Height

Description:

For sale is a corporate hangar set located at the northeast corner of Arlington Municipal Airport (KAWO). The south hangar is 70' wide by 60' deep. The door opening is 51' 5" wide with a 16' clearance. The north hangar is 100' wide by 80' deep with a door opening of 59' 11" and 16' clearance. The hangars are joined by several interior doors. Both hangars are heated and the south hangar has a fire sprinkler system. Each hangar has ample mezzanines and office spaces with 3-phase power on 1 acre of fenced and landscaped property.
