Description:

Renting out a full hangar at Morgan County Airport (42U). This is a 40x50 ft hangar and can house up to 3 smaller aircraft. This is hangar G1, and is right off the side of the runway. Door opening is 42ft wide, and 10 ft 6 in tall. Hangar is equipped with electrical outlets, and lights. Power is included in price. There is no running water, but a pilot lounge with restrooms is available 300 feet away. I am willing to rent the entire hangar out, or a portion.
