Description:

CBRE is pleased to offer this ±4,900 SF aircraft hangar for lease at the Paine Field Airport. Rarely do units in this sought-after North Paine Corporate Hangars development become available. This 70 ft. x. 70 ft. hangar offers a comfortable two-story office and restroom build-out, and could be used for a variety of aviation venues. This is an excellent opportunity to secure a private hangar at Paine Field. Serving as a general aviation and commercial airport for the North Puget Sound region only 29 minutes north of Seattle, Paine Field is a strategic location in an exceptionally tight hangar market.
