Description:

Over 20,000 sq. ft. of hangars, manufacturing and maintenance structures, offices, apartment, lounge and fueling facility...all on a 1.51 acre private parcel abutting Airport Road and an airport taxiway. Kalispell City Airport (S27) is a 3600' paved runway in the middle of the Flathead Valley. Property is in the very heart of the most scenic area of Montana! All season sports abound. 40 minute drive to Glacier National Park. Deceased owner developed 40 STCs and multiple aircraft after-market mods, dba Diamond Aire. Facilities are well suited for aircraft and non-aircraft related endeavors. Entrepreneurs come take a look! Room for storing well over a dozen aircraft! Machinery and intellectual property not included.
