**Description:**

**Hangar Space Available – Tailored to Your Aircraft**

Located at Hayward Executive Airport, our secure hangar facility offers shared space for a variety of turbine aircraft, including light jets and turboprops. From single to twin-engine models, we accommodate a range of aircraft with flexible parking options.

Our hangar is accessible 24/7, with a request for 24-hour notice to ensure prompt, personalized service. Comprehensive security measures are in place to protect your aircraft and give you peace of mind.

**Features include:**

- \* Secure, weather-protected shared hangar space
- \* Private on-site restroom
- \* Full ground handling and preferred fuel pricing through our FBO partner

**Rates vary based on aircraft size and storage needs. Contact us for availability and customized pricing.**
