Description:

Galaxy FBO's state-of-the-art facility at the Conroe North Houston Regional Airport (CXO) is the benchmark in the industry for general and corporate aviation and features world-class amenities including an arrival/departure canopy large enough to accommodate even the largest business jet. The main FBO facility occupies 15 acres at the south corner of the CXO Airport, just at the end of runway 14-32. Galaxy FBO features a total of seven hangars for aircraft storage, ranging from 13,419 sq.ft. to 38,000 sq.ft. suitable to accommodate large cabin business jets. U.S. Customs and Border Protection Service is now available at the Conroe North Houston Regional Airport. The hours of operation for the CBP services at KCXO are 10:00 a.m. to 6:00 p.m., Monday through Friday and 24/7 on-call service available. Whether you fly a single-piston small aircraft or a large business jet, let us serve your Transient Needs at Galaxy FBO in North Houston!
