Description:

2000 SQFT box hangar with very high opening. \$2000.00 per month or would consider selling. This is at New Van Nuys Prop Park and I'm the owner of the hangar. I have a grandfather Legacy Lease that is transferable 25 years remaining on the ground lease. Perfect for a single engine turbo prop or medium twin with plenty of room for cars and extra storage or make it your perfect man cave with all the extra space. It has security cameras and great outside and inside lighting. The new Prop Park has two pilot lounges, flight planning rooms, self serve avgas and new future restaurant coming soon.
