Description:

CBRE is pleased to offer this opportunity to purchase high-end private hangar facilities in the Bay Area for an exceptional value. Located at the Hayward Executive Airport in the Park Avion complex, it is in the heart of the San Francisco Bay Area. Crafted from glass and paneled steel, the facility features dramatic window walls, flooding the space with natural light. Inside, contemporary halide lighting, insulated steel walls, and Tennant™ floor coatings create an environment of streamlined efficiency. The decreased drive time made possible by the recently widened San Mateo Bridge has made it an excellent alternative to the more congested Bay Area airports.

Runway 10R/28L: 5694 x 150 ft.

Runway 10L/28R: 3107 x 75 ft.

AVAILABLE HANGARS:

Hangar H - 5,625 SF

Hangar E - 8,400 SF

Hangar J - 11,250 SF
