Description:

CBRE is pleased to offer this unique opportunity to purchase four aircraft hangars at the Georgetown Municipal Airport (KGTU). GTU Jet currently operates the facilities and provides full service FBO amenities, including fuel sales. The site is ideal for an FBO operation, and is also well suited for a variety of aviation venues including aircraft services, maintenance and charter operations.

Total Ground Lease Area: 8.97 acres

Gross Building Area: 98,857 square feet
