Description:

This Airplane HANGER is located in private fly-in aviation community in Northeast Tennessee

Price includes a 1.25 acre lot and a 3000 sq ft build, 50' x 60'. The hangar currently is surrounded by grass, but room to build your dream home. The hangar is finished with bathroom; sink, toilet, shower, floor is concrete with drain. Each end has electric 'scissor' door for entrance and exit (height when doors are open is 12' entry) and a man door.

The airpark has a newly paved asphalt runway 3000' and 50' wide, grass runway is 1800. The airpark is gated. FAA ID is 04TN. Owner is open to reasonable offers.
