**Description:**

CBRE is pleased to offer this outstanding opportunity to purchase a 22,500 SF aircraft hangar at Chicago Executive Airport. PWK has become a premier location to base corporate aircraft, and this spacious hangar offers ample room for a variety of aircraft storage scenarios and aviation venues. The facility is move-in ready and offers a prime opportunity for a flight department seeking to secure a private location. It would also serve as a strategic location for a variety of aviation-related businesses.
