**Description:**

CBRE is pleased to offer this exceptional opportunity for an aircraft operator to secure its own private hangar facility at Driggs-Reed Memorial Airport. This 15,000 square foot hangar is located on the main ramp inside the airport security fence, and can accommodate aircraft as large as a Gulfstream IV. The facility includes a 1,734 SF, 2-story structure pilot's office with air conditioning and electric heat, as well as custom cabinetry and desks. There are also two crew rooms with private bath, a separate kitchen/dining area, maintenance/workshop, laundry facilities, and ¾ bath with custom tiled shower, floor, and wainscoting.
