Width 65 ft (44 ft door) Depth 37 ft Height 15+ ft

Description:

One of the "newer" hangars at KPIE is available for sale.

Pictures available at:

[https://drive.google.com/open?id=1FF4SGw-wOduJRQbK\\_-S4gGiWUJWX-cpu](https://drive.google.com/open?id=1FF4SGw-wOduJRQbK_-S4gGiWUJWX-cpu)

Hangar includes A/C office space (~280 sq ft on the first floor and ~280 sq ft on the 2<sup>nd</sup> floor)

Main hangar door is 44 ft wide and is electrically driven.

Total square footage is approx. 1,900 sq ft (including office space)

Hangar is equipped with bright large LED overhead lights.

Power outlets are available all throughout the hangar.

Water supply line (for connecting a hose) and sink are available inside the hangar.

Public bathrooms are available a short walk away.

Fuel station is located at the end of the hangar row and is self-serve.

Hangar is located on KPIE grounds and is secured by TSA.
