**Description:**

Hangar for sale in KSZP, in beautiful Ventura county one hour drive north of KLAX. The hangar is 48'x 30', is all steel and fully insulated with a electrically operated bi-fold door. It has a top of the line pilot quarters of approx 600 sq feet. The buyer must be a FAA certificated pilot and be approved by the Santa Paula Airport Association. There is a 35 feet restriction in the taxiway leading to the hangar, a small taildragger wider than 35 feet can easily be moved through it. Call for details.
