Description:

CBRE is pleased to offer this opportunity to sublease ±11,830 SF hangar space and ±1,309 SF of office/shop space inside Hangar 38 at the Burbank Airport. The greater Los Angeles hangar market has become increasingly tight in recent years, and this is a great opportunity to secure space inside a private hangar facility at a competitive rate. The space is well suited for a variety of aircraft sizes and aviation venues, including private aircraft storage and aircraft maintenance operations.
