Width 116' Depth 95' Height 25'

**Description:**

This is an outstanding opportunity to purchase an 11,000 SF Hangar in the developing Wings Airpark, located within Danbury Airport. Built in 2001, the existing hangar is 95' x 116' with a 100' x 25' door opening. Close proximity to Route 7 and I-84. Wings Airpark is situated on private property with no underlying land lease. Hangars will be separately deeded.
