Width 140' Depth 60' Height 18'

**Description:**

8400sf under roof. 60'x100' hangar area. 20'x60 air conditioned shop. 850sf apartment above shop. 350sf storage space. This hangar is located on a full 1 acre lot with straight access to the taxiway and the end of runway 35. Car traffic on this end of the airpark is almost non existent. The hangar can be trimed out to suit your taste. The lot has a couple trees along the west side, and is open to build a home.
